Dear Bro Secretary

November 2016

### **UGLE Tercentenary and Yorkshire, WR Bi-centenary 2017**

You will, I trust, have received and drawn to the attention of your members my letter of 27 October primarily on the topic of celebratory exterior banners for display at Masonic Rooms or Halls.

I am pleased to say that the banners are now available and order forms are going out to Hall Management Companies or Committees. I hope you will encourage your hall management to take this opportunity to publicise our presence in the community, and give them your support.

My letter also mentioned that car stickers or decals, similar in design to the banners, would soon be available for distribution among your Brethren, and I am also glad now to announce that this is the case.

The stickers are supplied in batches of 10, at a price of £12 per batch and a reproducible order form comes with this letter. The order form will also shortly be available on the Provincial website.

I sincerely hope this initiative will find favour with your Brethren, and the contact name for ordering and for any queries is given on the form. Please note that the Provincial Office is not involved in the distribution of these items.

Yours sincerely and fraternally,

**John B Gledhill**

Chairman, Yorkshire, WR Masonic  
Activities Ltd.
