

HELLO BRETHREN – 2017 HAS ARRIVED WITH OPPORTUNITIES!

Well here we are at the start of a momentous year!

TERCENTENARY – BICENTINARY – RMBI FESTIVAL:

To keep up with what is happening: Please keep reading everything that is produced: The Provincial Website, White Rose News, Face Book, Tweets, Monthly Lodge Mailing, and Liaison Officer Updates.

Tercentenary Celebrations in London:

I am trying to obtain additional tickets for Yorkshire, West Riding Brethren so we can celebrate in style!

I have installed a new Assistant Provincial Grand Master:

WBro. John Boyington, CBE, JGD was installed on the 25th of January at Tupton Masonic Hall, Sheffield. A full-house made the occasion a delight. I paid tribute to WBro. Rodney Tolson, PSGD now Past Assistant Provincial Grand Master for his outstanding support over the past five years. Very best wishes to WBro. Boyington for a happy and healthy tenure of Office.

Installations Abound:

All Rulers have enjoyed a number of excellent Installation meetings where the work has been outstanding! I am encouraged by the number of Master masons that appear to be joining the ladder of progression.

Our Province – Still “No: 1” on the UGLE Media Table:

We continue to head the Provincial League Table for numbers of media entries and more pleasingly, the number of positive entries regarding Freemasonry. Well Done to All!

The Provincial Team is getting ready for our next visit to:

De Lacy Lodge, Pontefract on the 7th of February

Fraternal Greetings to all my Brethren and loved ones!
