Bro. Dr Robert Lomas

For A Talk Entitled

“The Six Tracing Boards of the Craft”

An Overview of Craft Teaching

This talk is especially for newer MM Brethren - but no matter how long it has been since your raising you will find it fascinating, enjoyable and thought provoking! The talk will be followed by a short question & answer session. *Regretfully, this lecture is only available to MM Brethren – any EA/FC will be requested to withdraw whilst the lecture is taking place.*
