Dear Brother Secretary

Further to previous letters regarding volunteers to offer their professional skills and experience to the Province, a need for a Data Protection Officer has arisen.

Provincial Grand Lodge and Provincial Grand Chapter, are the registered data controllers.

A Data Protection Officer is someone with responsibility for data protection compliance.

The Province is seeking someone with relevant training or background in Data Protection matters.

Those willing to be involved should contact, by Friday 5<sup>th</sup> January 2018, the Provincial Deputy Grand Secretary, W Bro Malcolm Whiteley, PPJGW, by email ([malcolm.whiteley.wrprovince@talktalk.net](mailto:malcolm.whiteley.wrprovince@talktalk.net)) or by post at the Provincial office giving their contact details, current experience and qualifications.

Please bring this letter to the attention of your brethren.

Yours sincerely and fraternally

K TOLAN PAGDC  
Provincial Grand Secretary
