Meetings of the Chapter are on the third Tuesdays of the months shown above and are at Hoyle Court, Baildon, normally at 6.30. They are invariably well attended but there's always room for more and visitors of whatever rank from throughout the Province (and from further afield) are encouraged. No invitation is necessary, just the return of the booking form which is circulated a month or so before each event.

A warm welcome, interest and entertainment is assured!

Scribe E will be glad to respond to advance enquiries (with an email address please) about any of these meetings by providing the summons and booking form nearer the date. He will also be pleased to reply to general enquiries, particularly from First Principals or Past First Principals, all of whom are invited to consider membership. His details are given at the top of the page.
